

# After 5 years I'll Leave for Idaho

## On Saying Good-bye

How to begin - In describing  
a boss

Who has been as great  
As our own Mr. Schloss

His job is not easy  
Don't let anyone fool you  
There are problems gigantic  
Enough to cool you!

His perseverance and drive  
Kept us all on our toes-  
We loved every minute of it  
The fun and the woes

Of keeping a Hospital  
at top operation  
I know you'll agree  
It could be the best  
in the nation!

Housekeeping, Nursing, Food  
Laundry and office -  
Maintainance, Lab, X-ray-  
Nothing could stop us!

On examining the books  
It's a known fact  
Mr. Schloss kept the Hospital  
Five years in the black!

For whatever it's worth  
I will always maintain  
Whoever gets him  
Will be our loss and their gain!

## Pink Ladies honor new administrator

Fred Schloss, administrator of Cassia Memorial Hospital, and his wife, Margaret, were honored Wednesday evening at a welcome tea at the hospital hosted by the Pink Ladies. About 150 attended.

A white cloth covered the tea table which was centered

with a tall floral arrangement of orange and yellow chrysanthemums, yellow, red and orange carnations, red autumn leaves and stems of wheat, flanked by double yellow tapers in crystal holders. The crystal punch bowl and silver coffee service

completed the table arrangements.

The nut breads and fruit loafs were made and donated by the Pink Ladies for the tea.

Attending were doctors and their wives, employees of all divisions of the hospital and their partners, and the Pink Ladies.

## Cassia hospital chief is named to DECS board

Cassia Memorial Hospital Administrator Fred Schloss today was named to the Region Five Department of Environmental and Community Services Advisory Board, according to Milt Klein, Region Five administrator.

Schloss will represent Legislative District 26.

Klein said the board will help determine health and social service needs in the region as well as inspect DECS services and review DECS laws. The board will also study and make budget recommendations and help develop and explain new DECS programs.

## Tea honors hospital personnel

A tea was held Wednesday afternoon in the auditorium of Cassia Memorial Hospital in honor of all hospital employees and Pink Ladies.

The hospital employees each

received a gift and the Pink Ladies each received a box of candy.

A fun surprise was a large stocking filled with gifts which was presented to Fred Schloss, administrator of the hospital. Mrs. Audrey Harper, director of nurses, made the

stocking and presented it to Mr. Schloss. Gift were from employees at the hospital.

A Christmas arrangement accented with dwarves centered the gift table.

Refreshments were prepared and served by the hospital kitchen staff.

## Hospital is near the goal

Isaac Lee, chairman of Foundations and Development Committee for Cassia Memorial Hospital Emergency Room Expansion Fund announced Friday, that a total of \$88,678 has been pledged or received in cash toward the \$100,000 total goal.

The Burley, Declo and Oakley LDS Stakes have pledged \$25,000 toward the project and the Little Flower Catholic Church has pledged \$1,000. "These amounts are included in the \$88,678 total," according to Lee.

"A final effort is being made to complete the total goal of \$100,000 in pledges within the next 60 days," Lee announced.

"We are delighted with the fine support the community has shown on this fund raising project," Lee stated. "All the funds donated or pledged by individuals or groups are greatly appreciated," Lee
